EDUCATION

Master of Arts (MA) - York University, Toronto

Graduated: June 2025

EXPERIENCE

Research Assistant - Sunnybrook Research Institute

May 2024 - July 2025

- Developed ML models for spine fracture risk prediction
- Processed medical imaging data using Python and deep learning

TECHNICAL SKILLS

Programming: Python, R, SQL, JavaScript, TypeScript

ML/AI: TensorFlow, PyTorch, Scikit-learn, OpenCV

Data: Pandas, NumPy, Matplotlib, Tableau, Power BI

Cloud: AWS, Azure, Google Cloud Platform

PUBLICATIONS

- "Machine Learning for Spine Fracture Risk Assessment"
Medical Imaging Conference, 2025
